CAREER OBJECTIVES

Marketing and communications Executive with experience supporting brand, digital marketing and corporate communications within the fintech and technology space. Skilled in developing content and campaigns across social media, email, websites and other digital channels, with experience in product marketing, newsletters, SEO writing, content planning and performance reporting. Strong researcher and writer who can take complex business or product information and turn it into clear, engaging communication for different audiences. Experienced in coordinating marketing activities and using audience and performance insights to improve communication and campaign execution.

PROFESSIONAL EXPERIENCE

Brand Marketing & Corporate Communications 2025-10 – 2026-09
Redtech Limited Lagos , Nigeria

- Supported the planning and execution of marketing campaigns, webinars, events and product communications, coordinating activities across multiple stakeholders from concept through delivery.
- Conducted research on products, industry trends and business information, translating findings into clear communications for customers, prospects and internal stakeholders.
- Monitored digital and campaign performance, using engagement, reach, click and audience insights to inform content and communication decisions.
- Led a lead-nurturing initiative involving prospect research, targeted communications, telemarketing and follow-ups to support customer acquisition.
- Developed and refined website, product and campaign content, identifying messaging gaps and improving clarity, consistency and user experience.
- Produced SEO articles, newsletters, reports, presentations and campaign materials for different audiences and business objectives.
- Managed and scheduled content across corporate and product channels, coordinating campaigns and communications within agreed timelines.

Social Media Manager & Leasing Associate 2025-01 – 2025-09
Estatelinks Limited Lagos,Nigeria

- Coordinated communication between internal teams and clients, ensuring information was clearly communicated and follow-ups were completed.
- Prepared presentations, reports and leasing briefs to communicate property and business information to clients and internal stakeholders.
- Developed targeted email campaigns to support client engagement and lead generation.
- Planned and coordinated communication activities across digital channels and client-facing initiatives.
- Developed content around property listings, client stories and company initiatives to strengthen brand visibility and customer engagement.

Writer & Editorial Lead 2023-06 – present
Abisola Writes Lagos, Nigeria

- Research, write, edit and publish long-form content across communication, personal growth, storytelling and social issues.
- Manage the end-to-end editorial process, from research and content development through editing, formatting and publication.
- Use audience insights and content analytics to evaluate performance and refine content direction.
- Independently manage a digital publishing platform, maintaining content quality, consistency and audience engagement.

Content Marketing Intern 2024-07 – 2024-09
Hackapath Lagos,Nigeria

- Developed and implemented content strategies for company platforms to promote events and partnerships.

- Wrote newsletters and social media updates to support B2B engagement.
