Writer with experience across editorial writing, content development, product marketing and corporate communications. Skilled in researching and developing articles, creating educational content, writing website and product copy, and crafting campaign communications for different audiences. Combines a strong foundation in English Language with experience in corporate storytelling and independent creative writing, including essays, fiction and literary prose. Brings a thoughtful approach to research, storytelling, editing and translating ideas into clear, engaging and purposeful content.

PROFESSIONAL EXPERIENCE

Brand Marketing & Corporate Communications 2025-10 – 2026-09
Redtech Limited Lagos , Nigeria

- Researched and wrote articles on business, technology, retail, e-commerce and emerging industry trends, developing relevant topics into clear, informative and engaging editorial content.
- Developed educational articles that simplified complex business and technology concepts for different audiences.
- Reworked website copy across four business solutions, refining product descriptions, value propositions, feature explanations, headlines, FAQs and calls to action to improve clarity, navigation and the customer journey.
- Developed product marketing copy that communicated product features, benefits, and use cases through targeted email communications, with clear messaging and calls to action to encourage customer interest and adoption.
- Wrote promotional communications for webinar initiatives, including email campaigns, social media copy and content captions, contributing to initiatives that recorded over 823 registrations and 527 attendees combined.
- Developed employee storytelling campaigns featuring interviews with four colleague pairs, supported by feature articles, internal emails, social media carousels, quote cards and other campaign materials.
- Wrote internal and external communications, including employee updates, corporate announcements, campaign messages and stakeholder communications.
- Contributed editorial content to 10 newsletter editions reaching 20,236 subscribers, achieving an average open rate of 26.5%.
- Supported website and email acquisition initiatives that generated 416 leads and achieved a 12% lead-to-active-user conversion rate against a 5% target.

Social Media Manager & Leasing Associate 2025-01 – 2025-09
Estatelinks Limited Lagos,Nigeria

- Coordinated communication between internal teams and clients, ensuring information was clearly communicated and follow-ups were completed.
- Prepared presentations, reports and leasing briefs to communicate property and business information to clients and internal stakeholders.
- Developed targeted email campaigns to support client engagement and lead generation.
- Planned and coordinated communication activities across digital channels and client-facing initiatives.
- Developed content around property listings, client stories and company initiatives to strengthen brand visibility and customer engagement.

Writer & Editorial Lead 2023-06 – present
Abisola Writes Lagos, Nigeria

- Research, write, edit and publish long-form content across communication, personal growth, storytelling and social issues.
- Manage the end-to-end editorial process, from research and content development through editing, formatting and publication.
- Use audience insights and content analytics to evaluate performance and refine content direction.

- Independently manage a digital publishing platform, maintaining content quality, consistency and audience engagement.

Content Marketing Intern 2024-07 – 2024-09
Hackapath Lagos,Nigeria
- Developed and implemented content strategies for company platforms to promote events and partnerships.
